i want to say thank you to magicmaker494 and zikki 3, will take your advice and write a zikki fanfic, as i said this is my first fanfic, okay zikki 3, I will write a zikki next. From season 1 to 3, I was a zikki fan. But when will came in season four, I became a wikki.

The Dance, part one

Everyone was dancing until they noticed wil and rikki wake in hand in hand and rikki's glowing dress and zane whisper into bella's ear

Zane: it is exactly the same dress, I bought but it is a bit different, she is a little devil.

Bella: I agree with you but she is a big one.

Meanwhile cloe drags rikki to a corner.

Cloe: what is wrong with, why did you come with will.

Rikki: cause, I wanna to get back at bella for insulting me, are you okay with that.

cleo: not fair.

Rikki: it is fair to me.

And will comes and takes rikki to the dance floor, and they start dancing,

Will: never thought will go this far but she is kissing zane.

Rikki: what!.
